Welcome to Behavioral Health!

We welcome you to Nevada County Behavioral Health Services (NCBH). We provide specialty mental health and substance use services for people who live in Nevada County, including those eligible for Medi-Cal and Drug Medi-Cal.

As your mental health and substance use services plan, we have specific goals. These are to:

- Provide treatment to help you address mental health symptoms and substance use problems.
- Work with you and other health care providers to arrange for quality care for you.
- Be sensitive to your needs and respect your privacy.
- Refer you to appropriate resources.

As an accepted participant, you also have specific responsibilities. These are to:

- Keep your appointments as scheduled, or call if you cannot make your appointment.
- Work on treatment goals with your service provider(s) and doctor.
- Work with us to choose the best treatment staff for you.

Service Teams

Our team of experts will work with you to determine if you need services and which

- Give your consent about medication and treatment.
- Be free from any form of restraint or seclusion used as a means of retaliation, coercion, discipline, or convenience.
- Receive information on available treatment options and alternatives.
- Request and receive copies of your medical records or request that they be changed or corrected.
- Provide us with an Advance Health Care Directive to describe your directions and preferences for treatment and care during times when you are having difficulty communicating and making decisions. An Advance Directive can inform others about what treatment you want or do not want.
- Receive written materials in Spanish or in alternate formats that you can easily understand, like large print or audio. Let us know how we can help you understand our materials. All language assistance services and alternate formats are free.

If you are a Medi-Cal beneficiary, the complete Beneficiary Guide to Medi-Cal Mental Health Services is available upon request. Copies are also available in our lobbies.
informal level. To file a grievance, call the Patients’ Rights Advocate at (530) 265-1437.

For more information on resolving problems, please pick up a copy of the Client Problem Resolution Guide available in our lobbies. For help, please speak to your therapist or counselor, the Behavioral Health Director, or the Quality Assurance Manager.

**Can I pick my therapist or counselor?**
You may inform the staff person completing your first assessment that you would like to choose your treatment staff. Your choice of treatment staff may include staff who meet your cultural, alternative cultural (e.g., LGBTQ, veterans, seniors), language needs or therapist you’ve seen in the 12 months prior to receiving services from NCBH. Whenever possible, your request will be filled. At any time, you may ask to change to another treatment staff member. You may obtain a Provider Directory in our lobbies.

**Are my client rights taken into consideration?**
Staff is committed to protecting your client rights. Some basic rights include the right to:
- Be treated with respect and with due consideration for your dignity, privacy, and confidentiality.
- Participate in decisions about your treatment, including the right to accept or refuse services.

**Available Services**
The following services are available in English and Spanish for children, youth, adults, and older adults who are experiencing serious emotional disturbance or mental illness. Other language resources are available as needed and will be provided for FREE.

**Clinical Assessment**
We conduct a clinical assessment of your current emotional, behavioral, mental health, and substance use challenges to determine the types of services that you need to achieve your goals.

**Service Coordination**
In partnership with you and your family (as...
appropriate), we link you to needed medical, educational, social, vocational, rehabilitative, and other services. Resources are available through county programs, as well as community-based organizations.

**Outpatient Counseling Services (Brief Therapy)**
We provide individual, family, or group counseling to help find resolutions to reduce challenges, reduce distressing symptoms, and improve functioning.

**Medication Services**
As needed, we conduct assessment and medication management services at the clinic to alleviate or reduce symptoms of mental illness.

**Crisis Intervention**
We provide 24-hour services to help you resolve crisis situations. If you feel that you are in a mental health crisis, please contact us 24 hours a day, 7 days a week, at 1-888-801-1437.

**Outreach Services**
We offer information and education to help you learn about available services.

**Residential Withdrawal Management Services**
Services are provided through contract with local substance use treatment providers.
