PROJECT DESCRIPTION

A key component of supporting the COVID-19 pandemic response is providing quarantine support and services to County residents who are facing significant hardships resulting from the quarantine requirement. Support and services can include hotel rooms, trailer space rental, provision of food, clothing, medicine or other needs while individuals are under quarantine at the direction of Public Health.

County Priorities (select any that apply)

Costs related to COVID-19 response Encourage economic recovery Provide long-term benefits to County

By providing quarantine support and services to County residents, we are able to mitigate some negative economic impacts to families for those not able to work or not able to afford alternate shelter during their quarantine period.

OPERATIONAL IMPACT

Will the funds be used to pay for a direct county cost or cost incurred by others? County Cost Other Cost

Portions of this project may be eligible for FEMA reimbursement. Quarantine support and services are offered based upon an assessment by Public Health nursing staff and carried out by Social Services staff. If not covered by FEMA or ARPA, very limited funding is available and only to certain populations that meet other program criteria such as low income or homeless risk.

PROJECT TIMELINE / READINESS

This project is currently ongoing and will continue until the need to support quarantine patients ceases.
