

# Citizen's Academy

Go behind the scenes of your local County government

## EXPERIENCE THE COUNTY FROM A (AGRICULTURE) TO Z (ZONING)

Nevada County's Citizen's Academy provides community members with a behind-the-scenes look at local government operations and the diverse services the County provides to support a healthy, safe, and vibrant community.

This free ten-week program covers topics from Information Technology to Public Safety and includes tours of eight County facilities and presentations from over twenty County departments.
